

SUPERINTENDENTS OF COUNTY SCHOOLS ARE ALL COMING

Preparations Complete for
Meeting of Educators.

LOCAL HIGH SCHOOL WILL
GIVE FINE ART EXHIBIT

Arrangements are now complete for the annual meeting of the New Mexico Educational association to be held in this city Tuesday, Wednesday and Thursday of next week, December 26, 27 and 28.

The local committee of arrangements has received assurances from all sides of a large attendance and it is expected that there will be more members of the association present at its sessions than ever before.

One of the features of the meeting will be a conference of county school superintendents at which matters pertaining directly to the welfare of the county schools will be discussed. This will be the first meeting of the kind in New Mexico, and it is part of the program of the leading educators of the territory to take this office out of the political pie collection, and place it in line with the educational system of the territory. Advice has been received from fifteen county superintendents out of the twenty-five, that they will attend the meeting.

High School Art Exhibit.
Another interesting feature of the convention will be an art exhibit by the art department of the Albuquerque High school. The work will be displayed in the high school building and will consist of water colors and pencil work from all grades of the ward schools as well as from the High school.

There will be little change in the program already published for the sessions of the educational association which embraces a wide range of subjects of interest to the teachers of the territory.

TIGHT TO ATTEND MEETING OF GEOLOGISTS IN TERISCO

President W. G. Tight of the University will leave Tuesday night for San Francisco, where he will attend the annual meeting of the Cordilleran section of the Geological Society of America. Dr. Tight is president of this section of the great society of geologists, and will deliver one of the principal papers of the meeting, dealing with geological conditions in this section of New Mexico. He will be out of the city for several days.

CHRISTMAS HOLIDAYS BEGIN FRIDAY IN ALL SCHOOLS

The Christmas holidays begin tomorrow afternoon in all of the schools of Albuquerque. There will be no work in the University, the public schools, the Indian school, St. Vincent's academy and the Immaculate Conception school until the Tuesday following New Year's. No formal exercises have been announced by any of the schools, and the public schools will have no entertainments except for a few short programs in the grades.

HOBBO THROWS A STONE THROUGH WINDOW OF LIMITED

Some person, presumably a tramp, threw a large rock through the rear window of the observation car on the Santa Fe limited last night just as the train was leaving Isleta. The rock narrowly missed the brakeman and landed against the writing desk in the car. A message was sent to Special Officer Charles Mainz at Isleta, when the train reached this city and Mainz will make a search for the miscreant.

"Prophet" Tarrred and Feathered.
Wellington, Kas. Dec. 19.—"Brother" George Huffman, representing himself to be the "True Prophet of Christ," was tarred and feathered at Perth, a small town near here, last night by a mob. After the terrible punishment was applied the man walked all night to Renfrew, Grant county, Okla., twenty miles south of here. He suffered greatly from the cold, as he was without clothing. Huffman is charged with inducing a farmer to give up his property to him so that he could regenerate the world.

For the Christmas trade we have a fresh supply of all kinds of shelled nuts, figs, raisins, mince meat, sweet cider, nuts, fruits and candies. A. J. Makoy.

POLICEMAN HIGHBARGAIN PINCHES TWO BAD BOOZE FIGHTERS

Two employees of the Santa Fe shops were arrested last night by Officer George Highbargin on a charge of being drunk and disorderly and using profane language on the streets. When they were arrested one of the men refused to go along and it was necessary for the officer to use considerable force to take him. When the portals of the refrigerator were reached, both captives balked and a rough and tumble go ensued in which both of the drunks had to be handled rather roughly before they would consent to enter. They were both so angry that they refused to give their names and are registered as John Doe and Richard Roe.

The police force of the city have had numerous complaints in the past few weeks in regard to drunken men using bad language on the streets. The police have been lenient but they now declare that the law in regard to obscene language will be enforced to the letter and all persons who so far forget themselves as to use profanity

and vulgarity on the street will be arrested whether drunk or sober.
